Thanks for your interest in our gourmet steaks!

Attached is a price list of our most popular products, an explanation of our unique and FREE 'Gift Selection Certificate' Service, some comments from folks who have received our products in the past, and a 'FAX or Mail' Order Form. But, there's no fancy catalog—because we don't have one. We've always figured people know what a great steak LOOKS like; the real question is how does it TASTE. So, since 1958, we've put our money into the quality of our products and the integrity of our packaging - instead of expensive photography and 'cosmetized' pictures. That's why we're 'Kansas City's Most Trusted Name in Steaks.'

It's also why we can sell gourmet **Steak Boxes and Dinners for \$89 or LESS** — and offer the **lowest shipping prices anywhere in the continental United States**. And it's why ***WE GUARANTEE YOUR RECIPIENTS WILL ALWAYS BE THRILLED WITH THEIR GIFT OR WE'LL REPLACE IT FREE!*** You see, unlike others, our steaks are cut from high-yield, naturally-aged, USDA CHOICE beef, then specially 'Bi-vac<sup>®</sup>' packaged to lock in their robust flavor, and BLAST FROZEN for long shelf life!)

To ensure perfect delivery, we ship '2nd Day' with everything packed in dry ice in a special urethane container at minus 109 degrees Fahrenheit. All we need is a correct street address. (If you're not SURE of your recipient's exact street address, your best bet is to use our **FREE Gift Selection Certificate Service** because we can send the selection certificates to Post Office boxes.) Also, if you're traveling by air this holiday, and want to take gifts with you, the Gift Selection Certificates are an especially handy way to shop; they take practically no space in your luggage, are easily hand-delivered, and they give your recipients the thrill of choosing exactly the type of gourmet meats they'd most prefer!! They're a GREAT gift!

For complete details on any of our unique products or services - or for information on SPECIAL PRICING on custom-designed selections or larger quantities - please give us a call at any of the numbers at the top of this page. As OUR customer, you'll be giving - and receiving - the finest Kansas City has to offer in quality and service! WE PROMISE!
